CREATIVE ARTS

MIXED MEDIA ART JOURNALING – HELLO BIRDIE with Robyn Wood \$30 includes some materials

Join Robyn to learn how to use one of Ranger's newest products, Distress Oxide Sprays in your journal. You will enjoy using these rich and vibrant inks and also learn how to incorporate other inky products into your page.

Although the class features a birdie sitting in a window, you can bring your own imagery to use if you wish. During class Robyn will share a variety of colouring techniques using the spray inks and ink pads that are unique to the Tim Holtz Distress line.

Also, please note that while class techniques are usually translatable to working on a canvas, this class will not be suitable due to the watersoluble nature of the inks used.

If you already art journal – bring along your usual kit, if not check the requirements list for a guide on what to bring. You will need an approx. A4 sized journal to begin with – please check in store for details. We would love to know where you are at with mixed media so let Deb know when you book in – absolute beginners are very welcome but the more experienced will find something to challenge them in each class.
