CARDS

TECHNIQUE TRICKS with MARJI \$26 Includes Materials Kit

Get ready to get your hands dirty! This three-hour class is jam packed with technique, old and new. Create 3 grunge/steam punk themed cards from the background up using Walnut Crystals, sprays, stamps, inks and more. See just how versatile one stamp can be by using ink and embossing powder on different card stock. And just how versatile can Walnut Crystals be? Use them as a bath, a spritz and a textured paint in this class. Rusting powder also lends itself to the steam punk theme, as well as the use of Dimensional Magic and micro beads. This class isn't just for card makers. Learning the techniques can extend your creativity with mixed media and scrap booking. A class guaranteed to breath life back into the old, and exciting possibilities into the new.

Technique Class – Part 2: Colouring with SUSAN \$37.50 Includes Materials Kit

This technique class is focusing on **COLOURING** techniques. It's time to dust off your water colour pencils and learn how to use Distress Inks, Perfect Pearls Mists and Powders, Inka Golds and other mediums in a variety of ways. Prepare to get your fingers dirty (Wet Ones are a must) and have fun creating. This month you will make 14 tags and then take some of the techniques learnt a step further to make two cards. One is a Christmas card (never too early to start) and the other card would suit any occasion. Once again you will also be able to create a couple of background/card toppers along the way – a great inspiration to make more cards at home.

TECHNIQUE 3: STENCILS AND TEXTURE with JET \$35.50 Includes Materials Kit

This class will create 10 tags (with a sheet with instructions for each tag for you to take home), learning different techniques and having a play with STENCILS, MEDIUMS and a few different things. We will then create two cards, one male and steampunk; the other delicate and feminine, we'll still get to play with ribbon, lace and pearls, always a vintage girl's essentials! You will also get to have a play and make some toppers to take home to turn into more cards, a great way to keep the excitement going!
