In this month's class, we will create a double layout with space for 31 photos. It has plenty of "openable" areas to showcase all your favourite photos. This month I have used papers from the Serenity range from Lemoncraft. **Take away kits with full emailed instructions are available.**

CARDS

PARCHMENT CRAFT With Patricia \$22 Includes Materials Kit

A Useful Gift: Calendar and sticky note combination. A grid work design in parchment craft is used for the background behind the calendar. The rectangular design uses a bold straight grid with pearl embellishments, while the oval design uses a honeycomb bold grid with flower embellishments. Choose which design you prefer – oval or rectangular and advise staff when booking. Detailed instructions will be provided for both designs, so you can make one in class and one later.

CREATIVE ARTS

MIXED MEDIA ART JOURNALING – EMBRACE LIFE With Robyn Wood \$30 Includes Some Materials

It is so good to be back with you teaching art journal classes again! In order to keep everyone safe I will not be sharing supplies and tools as I have in the past. Instead, I will give you details of supplies used to create the project within the Class Requirements. Sharing of supplies during class is also discouraged. As usual, you are welcome to substitute images, colours etc from your stash as you like and if you don't have the exact listed supply, just bring along the closest you have. Of course, Bella Paperie is fully stocked with all your needs so come a little early if you need to shop before class.

We have also moved these classes to Saturday to enable easy use of the classroom next door. Please remember this when booking in.

Dream Big combines colour and texture with pretty imagery and words to create a gorgeous page that is infinitely touchable. This month I will share some of my layering techniques that you will be sure to use many times on future pages as well as a simple way of combining layers for collage style pages. This class is perfect for all those pretty bits of papers you have been saving for 'special'!

We will continue to work in the smaller journal size, the Art by Marlene journals with removable pages are perfect. This class will also work in the A5 Dylusions journals or across a single page in a larger journal.

Don't forget to let us know if you are a beginner when you book – you are absolutely welcome, but it means I set aside time at the beginning to support you in product choices & information.

PRINCESS ALBUM With Robyn Taifalos \$67 Includes Materials Kit

How elegant is the Princess collection from Stamperia? One of my favourite things to do is creating a mini album with a slight junk journal feel to it. So this way you can add photos or use it as a journal, lots of tuck spots and pockets. Filled with Victoria women, bustiers, lace and pearls, bound in a hard cover with trim wrapped around an antique style handle.

WHAT IF I FLY MIXED MEDIA WORKSHOP With Tracey White \$40 Includes Some Materials

Mixed Media class for art journal or canvas using paper, distress and crackle techniques, inks and mixed media products.

GUEST DESIGNER – SUE SMYTH

ALCOHOL INK PAGE \$40 Includes Materials Kit

Have you played with alcohol inks? Great for cards and smaller work, well we go big and create a 12 x 12 layout with all of the colours and colour blending of alcohol inks, learn which colours to use, and how to use them, and add a bit of gold sparkle. Lots of tips and tricks to get the best results and troubleshoot the bad. With guidance you will be able to choose your own colour theme (bring your own inks) so plenty of scope to personalize your work. you will get a bonus colour wheel, sheet of butterflies and 1 bottle of ink, and extra yupo paper per kit.

STEAMPUNK SUITCASE \$75 Includes Materials Kit

Do you love steampunk and storage? Well, we combine both to create this wonderfully textured suitcase (beauty case) Learn how to alter the surface securely and then add layer upon layer of texture and detail, using chipboard, resin and metal. Then we will add shine and colour with inks, pastes and waxes, to give a rusted lustre. This is truly a glorious project, one to keep or treasure with a very practical purpose, a must for mixed media fans
