CROPS

Bookings are essential for all crops.

Cropping is when you gather with friends to work on your paper crafts.

When you come to Bella Paperie to do your craft, we try to make you feel at home without all the distractions. You get to meet new people, enjoy the fun of being with others and learn new things from the people around you. We have cutting tools like the Sizzix machine & cuttlebug. These are free for your use when you crop. If you don't know how to use the machines we will help you. Of course, evenings are the most popular because you can crop for 5 hours –Dinner, supper and tea & coffee included .Wow, what a deal! Coming here to crop doesn't mean you have to be scrapbooking. Some women come to work on their off the page projects, card making, stamping, or even making costumes! You are welcome to do any craft. During our crops you are able to copy the current store samples.
