Medium round brush (for background paint)

Please note - For this first weekday class, I will bring along most of the supplies to share including stamped butterfly images and collage paper. Please bring what you have from the materials listed at the top to save time waiting. I have listed a kit of 'basics' that you will need to bring to every class. As always, the listed supplies are available to purchase from Bella Paperie either before or after class. If you don't have a journal, we can provide a sheet of heavy watercolour paper to get you started. Please ensure you bring 'matt' paints along – glossy ones tend to stick in an art journal.
