### **FABULOUS FOILING With Anita \$26 Includes Materials Kit**

" Do you own a GoPress and Foil machine and want to get it know it better? Join Anita from 1pm to 3pm to create 4 gorgeous christmas cards using foils and the machine. You will learn how to foil using dies, embossing paste, hotfoil stamps and use foils in a different way using Die Cut N Bond paper. If you haven't got a machine but want one and would like to create with one first, there will be a couple of machine to share for the class. For the class you will need your basic kit that includes blending tools, a nonstick craft mat and 2 inks including a bright pink (e.g. Distress Ink in Raspberry Ripple and a lime green). You will need a good pair of scissors and a 'pokey' tool and good wet glue e.g. Helmet 450 or Tombow. Bring your GoPress and Foil machine and die cutting machine along with several pieces of 'scrap' cardstock that can be cut down to use as shims. No two die cutting machines are the same so it will be a good class to get to know how your machines work together."
