SCRAPBOOKING

LEMONCRAFT RASPBERRY GARDEN INTERACTIVE LAYOUT With Jenny \$50 Includes Materials Kit

Want to get lots of photos on a layout? Want an interesting layout that has interactive elements that can be lifted, pulled or opened to reveal hidden areas? In this month's class, we will create a double layout with space for 27 photos. It has plenty of "openable" areas to showcase all your favourite photos. This month I have used papers from the Raspberry Garden range from Lemoncraft. **Take away kits with full emailed instructions are available.**

CARDS

CHRISTMAS FESTIVAL CARDS With Anita \$50 Includes Materials Kit

With Christmas just around the corner, I have used the Mintay Papers *Fall Festival* 12x12" papers and turned them in to a gorgeous card kit – *Christmas Festival*. Instructions and class include 5 cards of varying sizes. There is also a bonus of 4 extra cards that you can make with the leftovers from your kit (and there are a few extras too for you). You will be left with one full 12 x 12" sheet for those who scrapbook. It will make a gorgeous layout. Join me on Saturday 7 November at 10am in class. Kits will also be available to takeaway or post. Instructions will be sent by email only due to the size. Don't delay in putting your name down for class (numbers limited) or your kit as there is only a set number available.

CHRISTMAS O'CLOCK CARDS With Annette \$43 Includes Materials Kit.

Cards using 'Raspberry Garden' by Lemoncraft. Although I have labelled these as Christmas cards, they are very untraditional and could be used for any special occasion. To the gorgeous colours of mint green, soft pinks & with a dash of raspberry we add ribbons, string & some bling, which adds a sparkle to delight the recipient. Lots of fussy cutting and layering add depth & texture to this set of pretty cards.

PARCHMENT CRAFT With Patricia \$22 Includes Materials Kit

This Christmas card features two layers of parchment, where one layer is embossed and folded back to reveal the image on the second layer. The design is not difficult but requires careful placement of vellum on the pattern to achieve this result. Skills covered include tracing, embossing and cutting around an intricate shape. Card measures 14.5cm x 14.5cm **Acknowledgement:** The original card design came from a class I attended some time ago, designer unknown to me. I have modified the design to reduce the amount of cutting required to better fit with class time.

CREATIVE ARTS

STEAMPUNK FOLIO With Robyn Taifalos \$67 Includes Materials Kit

I will be available to answer your questions via the Facebook group.

Note: This class contains optional add ons. I have completed my journal with hardware to enhance the look of a film reel. I used Tim Holtz Washer Heads to do this.
