Do you love steampunk and storage? Well, we combine both to create this wonderfully textured heart shaped box, suitable for holding treasures and secrets. We play with molds and how to set them then detail the sides of the box, adding colour and interest along the way. Then we will add shine and colour with inks, pastes and waxes, to give a lustrous finish. This is truly a glorious project, one to keep or treasure with a very practical purpose, a must for mixed media fans.
