SCRAPBOOKING

MINTAY OLD MANOR INTERACTIVE LAYOUT With Jenny \$41 Includes Materials Kit

Want to get lots of photos on a layout? Want an interesting layout that has interactive elements that can be lifted, pulled or opened to reveal hidden areas? In this month's class, we will create a double layout with space for 26 photos. It has plenty of "openable" areas to showcase all your favourite photos. This month I have used papers from the Old Manor range from Mintay . **Take away kits with full emailed instructions are available.**

CARDS

CHRISTMAS CARDS With Anita \$24 Includes Materials Kit

Do you need pretty christmas cards that are easy to send? Join Anita in making this set of cards using the Lemoncraft "Joy to the World" christmas range. There is a smallish amount of fussy cutting to accent the cards to ensure that the cards can be posted as normal postage rates. Aside from the basic kit to bring to class bring some gold and red ink pads along with some Kindy Glitz/Stickles/Glitzn Glamour in clear to bling up the cards. Takeaway kits available

JOLLY DAYS CARD CLASS With Theresa \$25 Includes Materials Kit

WOW! December already! Please join me for my last class for 2019. Let's go Bright and Arty with Sprays, stamping and water colouring to create 6 non-traditional Christmas Cards. In class we will create our 6 different coloured backgrounds using Distress Oxide Sprays Then we will stamp these amazing "Paper Artsy" images and colour them using the "Ecoline" Brush Pens which are very bright and very easy to use, water colouring medium. A bit of fussy cutting and these cards are completed. See you in class Theresa

CREATIVE ARTS

LET'S GET CRACKING With Robyn Taifalos \$41.50 Includes Materials Kit

Hi crafters! Let's end the year with a fun class creating 3 different styles of crackers (Bon Bons if you prefer) using the gorgeous new papers from Maja Design. You will create 1 which I like to call half a cracker with flip lid, a large cracker with a box inside and a "cracker of all crackers", which is approximately 18 inches tall!!! For this class I've gone with the "simplicity" look to show off those gorgeous papers, but there is so many ways you can decorate for example with bling trims, pine cones, flowers, glitter, the list is endless. Look forward to seeing you in my last class for the year

VINTAGE SUITCASE With Debra Ricks \$49 Includes Materials Kit

Join Debra to make this cute little vintage suitcase album. You will use a premade box to create the structure of the suitcase. Inside you will create multiple sleeves with page inserts where you can add photos or journaling. The suitcase straps are created with stone paper. Distress oxides are used to colour the stone paper.

UNDER THE STARS With Annette \$62 Includes Materials Kit

Glowing brightly 'Under the Stars' are these beautiful yellow flowers which are enhanced with more colour, golden stars and pretty beads. Playing with 13@rts papers of the same name on a 12 x 12 canvas. This project is ready to hang or give as a special Christmas gift

OVERSIZED ARTIST TRADING CARDS With Tracey White \$40 Includes Some Materials

Project is Oversized Artist Trading Cards. Mixed Media techniques taught throughout the year will be used to make Artist Trading Cards, we will be creating and trading one card each as it is the Season of giving! Card size preferably is 9.5 cm x 14 cm or similar, this size will fit in a small frame, but we can create on any sized playing card you have. The photo for the class project is just a sample of what we will create, you can make as many cards as you can in the time frame, so bring lots of your scrap papers/ tissue, printed words etc. Also you can bring cards pre-primed with Gesso if you want to save on time.

BELLA WEDNESDAY

Join us on Wednesday 18th December in store and create a special "Christmas Bella Style" project with Robyn Taifalos. Cropping is when you gather with friends to work on your paper crafts.

When you come to Bella Paperie to do your craft, we try to make you feel at home without all the distractions. You get to meet new people, enjoy the fun of being with others and learn new things from the people around you. We have cutting tools like the Sizzix machine & cuttlebug. These are free for your use when you crop. If you don't know how to use the machines we will help you. Of course, evenings are the most popular because you can crop for 5 hours –Dinner, supper and tea & coffee included .Wow, what a deal! Coming here to crop doesn't mean you have to be scrapbooking.
