These combined techniques will create highlights, dimension & focal points of interest as we mix and match plain & patterned papers. It has plenty of "openable" areas to showcase all your favourite photos. This month I have used the pastel peach tones of Teresa Collins She Said line. I have used the file folders that come with this line and they are perfect for having little interactive areas on your layout..

#### **SIX SINGLES with JENNY \$36.50 Includes Materials Kit**

In this class you will create six clean, flat and simple single pages using the cutting measurements provided and then piece them together following the page samples. The pages' use Authentique's Playful range which is a mixture of teal, orange, blue and cream. Perfect for lots of different themes.

#### **INTO THE WILD with JULIE \$39 Includes Materials Kit**

Come & go into the wild side with Julie, create 3 fun layouts as well as a double page layout to include lots of photos. Use the new "Into The Wild" range by Kaisercraft with colours of brown, green, orange & cream. You will do some ripping, distressing & punching to create these great pages, while making the best use of your papers. These layouts will look great with a variety of "Wild" photos including Zoo, Dreamworld or African photos. This is also available as a take away kit.

#### **Home for the Holidays Layout with BEC \$52 Includes Materials**

This layout uses the gorgeous new Maja collection Home for the Holidays, a perfect layout for Christmas or family photos. The class will use the new Finnabair Snowflake paste plus her Mica powders and glass beads. Also Blue Fern chipboard coloured with embossing powders and a generous amount of flowers.

## CROPS

Bookings are essential for all crops.

Cropping is when you gather with friends to work on your paper crafts.

When you come to Bella Paperie to do your craft, we try to make you feel at home without all the distractions. You get to meet new people, enjoy the fun of being with others and learn new things from the people around you. We have cutting tools like the Sizzix machine & cuttlebug. These are free for your use when you crop. If you don't know how to use the machines we will help you. Of course, evenings are the most popular because you can crop for 5 hours –Dinner, supper and tea & coffee included .Wow, what a deal! Coming here to crop doesn't mean you have to be scrapbooking. Some women come to work on their off the page projects, card making, stamping, or even making costumes! You are welcome to do any craft. During our crops you are able to copy the current store samples.
