Christmas comes around so quickly each year, so I have made a head start & created 4 vintage style cards using this gorgeous patterned paper from Craft & You called Christmas Story. There will be a simple construction card & each card has layers of patterned paper & features lace, organza ribbon, flowers, die cut shapes, pretty glitter baubles, SA pearls & lots of glimmer paste. "Join me to make two gorgeous cards using Prima's HAVANA range of subtle pinks and mink greens and a pop of rose gold. You will create a gorgeous frame box that can be used for many occasions along with a 5x7" card. Both with hints of foil. If you can't make it on the day kits with full instructions will be available"

PARCHMENT CRAFT CARD with Patricia \$22 Includes Materials Kit

In this project we will make a card, featuring a sailboat, with detailed embossing and cutting to highlight the sails. We will focus on the skills of perforating through a pattern and cutting to a cross shape. It is essential to have a four needle tool such as PCA Fine Quad – F1005 and PCA snips to complete this design. Both are available at Bella Paperie. Acknowledgement: Original card designer is Tatsue Shibata. I have modified the grid pattern to use a four needle tool instead.
