## SCRAPBOOKING

### **Prima Watercolor Floral with Jenny \$48.50 Includes Materials Kit**

Want to get lots of photos on a layout? Want an interesting layout that has interactive elements that can be lifted, pulled or opened to reveal hidden areas? In this month's class, we will create a double layout with space for 30 photos. It has plenty of "openable" areas to showcase all your favourite photos. This month I have used papers from the Watercolour Floral range from Prima. Take away kits with full emailed instructions are available.

## CARDS

### **Glam Rock Cards with Anita \$45 including materials kit**

This 6 card kit is made using the Glam Rock range from Mintay Papers. Layers, laces, flowers and fussy cutting in blacks, bright pink and gold will create an array of different size cards that only need a sentiment if you choose. Takeaway kits available with full instructions emailed.

### **Parchment Class Card with Patricia \$22 including materials kit**

This cute card would suit many different occasions. The skills include colouring on vellum, embossing on colouring and on a template. This class is suitable for beginners. The original design was by Martha Ospina from her book "Pergamano Masterpieces".

### **Threads of Love with Annette \$44 including materials kit**

In the class of May, we will create four very pretty cards featuring soft shades of peachy pinks, greens & neutrals. The reels of threads depict it's love that binds us together. Then adding some flowers, gathered frilly lace, crochet lace and ribbons to finish off these cards which I am sure will delight the recipient.

## CREATIVE ARTS

### **Boy Album with Robyn \$70 including materials kit**

Who sometimes finds it a challenge to get gorgeous papers for a boy album?... Well this class is for you!!!! Join me this month creating this album using the adorable papers "Best Friends" from ScrapBoys. This collection is full of cute little critters that are out to have some fun! So many spots for 4 x 6 or 5 x 7 photos.... and yes lots of fussy cutting to decorate this album.....

### **Mixed Media Collage Landscape with Tracey White \$40 includes some materials**

Mixed Media Collage Landscape - In mixed media there is a term "crash the stash" - this is what our abstract collage landscapes need! All the bits and pieces of scrap paper, printed words, rice paper, Muslim fabric, and whatever else has texture! Bring your stash along to class. Small stamps and stencils will also be used to enhance our landscape. We will be creating two landscapes in our art journal or small canvas.

### **Lady Vagabond Notebook with Robyn \$67 including materials kit**

I have enjoyed making this class using Stamperia "Lady Vagabond" collection and different mixed media techniques to create this A4 hard covered notebook. Using some Stamperia aqua colours and liquid acrylics from Finnabair you will create this leather look background, stenciled with pastes and then decorated using rice paper and chipboard that you magically turn into the rust effect. Leave it as a notebook or change it into a junk journal.

### **Calligraphy Junk Journal with Debra \$63 including materials kit**

Take an old book and turn it into a wonderful junk journal. Full of pockets & tuck spots. Your kit will include the papers and chipboard pieces. Please refer to the supply list for what else is required. Takeaway kit only, full instructions via email.

### **12-Hour Crop \$30 Dinner and supper provided**

Come & join in 12 hours of paper crafting without distraction! A room of ladies playing with their favourite paper craft, lots of fun and laughter. You can also copy any of the stores amazing samples on display. Dinner and supper provided. Jacobs Bakery will be open for lunch or BYO. Bring a plate to share for afternoon tea.

## CROPS

Bookings are essential for all crops.

Cropping is when you gather with friends to work on your paper crafts.

When you come to Bella Paperie to do your craft, we try to make you feel at home without all the distractions. You get to meet new people, enjoy the fun of being with others and learn new things from the people around you. We have cutting tools like the Sizzix machine & cuttlebug. These are free for your use when you crop. If you don't know how to use the machines, we will help you. Of course, evenings are the most popular because you can crop for 5 hours –Dinner, supper and tea & coffee included. Wow, what a deal! Coming here to crop doesn't mean you have to be scrapbooking. Some women come to work on their off the page projects, card making, stamping, or even making costumes! You are welcome to do any craft. During our crops you are able to copy the current store samples.

### MONDAY, TUESDAY & WEDNESDAY'S FREE CROP

Do your own thing. Come with some friends or meet some here. 9.30am – 2.30pm
