### **CARDS**

#### **TIDINGS CHRISTMAS WORKSHOP - with Carolyn. \$30 Includes Materials Kit**

We will make 6 lovely traditional Christmas Cards using the gorgeous new Authentique Christmas range 'Tidings'. These papers celebrate the season in colours of cranberry, light and dark olives, white and kraft, making the perfect combination for greetings for our loved ones. We'll use dies, stamps, embossing folders and other techniques and embellishments to complete this set of six cards and a bonus tag. A list of what you will need to bring apart from your basic card making kit will be on the blog closer to the time of the class. We will break part way through for a cuppa and cake.

#### **Explore the Envelope Punch Board with Donna Wannell \$38 Includes Materials Kit**

There are endless possibilities with this tool, in this class we will make a Christmas Bon Bon (yes using the envelope punch board!) a large Christmas gift box and a sweet gift basket.

You will use the envelope punch board to create the project and embellish by stamping, embossing, die cutting, glittering and fussy cutting. I am following in my elegant Christmas themes using cream, gold and burgundy.

#### **HANDS ON UTEE AND PERFECT PEARLS - CLASS II with MARJI \$27 Includes Materials Kit**

Get ready to turn on your heat gun and turn up your creativity in this 3-hour class using Ultra Thick Embossing Enamel (UTEE) and Perfect Pearls. You'll become a Melt-a-Maniac discovering the amazing and endless uses of UTEE. On one card alone, UTEE creates four different looks – glass flowers, vellum parchment, a 3-D molded image, and a stunningly unique artwork piece of UTEE that has been colored with Perfect Pearls and stamped into. Lastly as a quick finisher, a second piece will be made using UTEE, Perfect Pearls and a die cut shape to create an easy yet eye catching piece for a book cover or center piece on a card or layout page. Be warned! UTEE is addictive. You will love it!!!
