MIXED MEDIA ART JOURNALING – LISTEN TO SILENCE with Robyn Wood \$30 includes some materials

What happens when you create some space in your life, space to think and dream and create?

Join me as we try to tap into that space to create an art journal page that is calm and meditative. Robyn will share some simple techniques to get your creative juices flowing and you will learn a few creative techniques along the way.

If you already art journal – bring along your usual kit, if not check the requirements list for a guide on what to bring. You will need an approx. A4 sized journal to begin with – please check in store for details. We would love to know where you are at with mixed media so let Deb know when you book in – absolute beginners are very welcome but the more experienced will find something to challenge them in each class.

FRENCH VINTAGE STYLE BAUBLES With Robyn Taifalos \$60 Includes Materials Kit

This month you will learn lots of techniques using gesso, crackle paint, tissue paper, chalk paints and waxes to create 3 different size baubles in French Vintage Style. You will also use a transfer on one and some Prima Moulds as well as bling trim and organza flowers.

HEART'S CONTENT MIXED MEDIA CANVAS With Tracey White \$40 Includes Materials Kit

Create to your "Hearts Content" is the theme of this mixed media project. Choose to work on canvas or in your art journal. The layering techniques will work beautifully on either surface! We will be using a heart shape as a mask, then creating our project around it, many layers of various stencils involved! (You are welcome to bring your favourites along to class) We will also stamp our own images to make collage paper to add to our heart, adding texture along the way and finally embellishing with die cuts of various butterflies/ leaves/ scrolls etc. If you have your own dies, cut some shapes in various pastel shades of lightweight cardstock to bring along to class to save time. If you are new to mixed media we will have stamps and dies for you to play with in class!

MIXED MEDIA ART JOURNALING – SHAKE THE WORLD with Robyn Wood \$30 includes some materials

Shake up your art journaling world with something a little different. This month we will be playing with some different types of images to create our own textured pages and characters in our journals. Robyn's page features a quirky Paper Artsy character but you will be welcome to create something different using your own stamps or magazine cutouts. Robyn will also teach you how to add image transfers to your journal pages for unique backgrounds.

The session will start with a lesson on creating your own ephemera – you will learn some great tips for making what you have 'yours' instead of something you have cut from a piece of patterned paper. Then we will slip into some relaxing time layering and building your page – it's the best part! Class will finish with some techniques to bring out the texture on your page.

If you already art journal – bring along your usual kit, if not check the requirements list for a guide on what to bring. You will need an approx. A4 sized journal to begin with – please check in store for details. We would love to know where you are at with mixed media so let Deb know when you book in – absolute beginners are very welcome but the more experienced will find something to challenge them in each class.
