SCRAPBOOKING

STAMPERIA AZULEJOS INTERACTIVE LAYOUT With Jenny \$44.50 Includes Materials Kit

Want to get lots of photos on a layout? Want an interesting layout that has interactive elements that can be lifted, pulled or opened to reveal hidden areas? In this month's class, we will create a double layout with space for 22 photos. It has plenty of "openable" areas to showcase all your favourite photos. This month I have used papers from the Azulejos range from Stamperia . **Take away kits with full emailed instructions are available.**

CUTIE PIE LAYOUT With Theresa \$15 Includes Materials Kit

This month I have a very "sweet" layout for us to create, using "sweet" Doodlebug papers from their "Sweet Heart" paper collection. The beautiful combination of pinks and browns on this page make it perfect for a little girls birthday photo.

CARDS

CHRISTMAS BAUBLES 6 WAYS With Theresa \$25 Includes Materials Kit

Yes it is time to start making our Christmas cards ! I know, where has the year gone ?

The Christmas papers we are using for this months class are by " Craft and You design ". We are using their "Vintage Christmas " collection in beautiful greens, browns and burgundy colours. To make our 6 cards we will be using 1 stamp by " Stampendous", but I will teach you 6 different stamping techniques using different papers and stamping mediums.

PARCHMENT CRAFT With Patricia \$22 Includes Materials Kit

Getting ready for Christmas! I have used pastel coloured pens (available to use in class) with embossing and cut work to make this Christmas bauble design. Foil paper has been added behind the parchment to enhance the cut work. The design will work equally well with brightly coloured pens (also available) if you prefer a more vibrant design. Skills covered include embossing, using a four needle tool, cutting to a cross, stippling and using the sun tool.

Acknowledgement:

The designer of this card is unknown to me. I have changed the colourings, and colouring techniques used to suit my purposes.

CREATIVE ARTS

HANDBAG ALBUM With Robyn Taifalos \$110 Includes Materials Kit (Class split and run over 2 dates)

This month we will make something a little special in the way of mini albums.... I've designed a handbag album using the fabulous collection Grand Hotel from Stamperia. There are plenty of pockets, tags and pull outs for all your photos and journaling. Just love the way it comes altogether....the little metal embellishments really set it off.... As this is a time lengthy project I've split this class into 2 dates.

MIXED MEDIA ART JOURNALING – SHIMMER & SHINE With Robyn Wood \$30 Includes Some Materials

It is time to change up my art journaling classes and I want to encourage you into working on smaller pages for a bit of new challenge. Bella Paperie has recently hosted Dyan Reaveley (Dylusions) & Marlene Meijer (Art by Marlene) and both sets of classes have worked in smaller journals, so it is time to give them some more love. Working small encourages play and creativity – no need to spend hours filling up a page! Each class will feature two pages with an underlying theme of imagery, product or techniques. This class will focus on some techniques for giving your pages a touch of shimmer. I'll also share a couple of my favourite stencilling tips for creating interesting backgrounds and bring along a bunch of new The Crafter's Workshop stencils for you to play with. Check the supplies list for details and just bring what you have. Don't forget to let us know if you are a beginner when you book – you are absolutely welcome but it means I set aside time at the beginning to support you in product choices & information.
